

# PETE NICHOLLS

671 W. 193rd St. #1D - New York, NY 10040 - (310) 626-4274 - [thepetenicholls@gmail.com](mailto:thepetenicholls@gmail.com)

Key Qualifications: Creative, problem solving, quick thinking, enthusiastic, entrenched in the social networking worlds.

## Experience:

**GetCrackin.com/12seconds.tv video contest** (*October 2009*) Top ten finalist in the "Get Crackin'" contest where entrants created 12-second video spots demonstrating how they "get cracking'." See my winning video here: <http://12seconds.tv/v/B453A> ([official winners page](#))

**Mountain Dew "DewLabs Kit"/12seconds.tv video contest** (*July 2009*) One of 50 winners, nationwide, selected to shoot a taste-test video for the next new flavor of Mountain Dew (winning entry: <http://tiny12.tv/CXFFY>). Shot two related videos, an unboxing of the DewLabs Kit: <http://youtube.com/watch?v=rEPdVlnjEwM> and the actual taste-testing video: <http://youtube.com/watch?v=QNNtstH1Vtc>

**Raleigh Studios** (*July 1999-August 2003 & March 2005-May 2006*) Projectionist (Part-Time). Projected 35mm/16mm/Video in three screening rooms. Ran press, crew and other screenings. Ran the post-production office (1999-2001). Dealt with all clients.

**Wild Brain Studios** (*June 1997-June 1998*) Animated series in development.

**Hanna-Barbera** (*January 1997-June 1997*) Freelance writer on Cow & Chicken. Submitted several pitches, sold five stories and one script.

**Hanna-Barbera** (*March 1996-November 1996*) Production Asst. on Cow & Chicken. Performed office and clerical duties.

**Klasky-Csupo** (*July 1995-February 1996*) Animatic Scanner on Duckman. Scanned in storyboard panels and digitized the show dialogue to provide Animatic Directors the raw material to create animatics.

## Education:

B.F.A. in Film/Drama from Syracuse University. Produced six student films.

## Software:

All the standards. MS Office, Photoshop, Final Cut Pro, PC, Mac, etc.
